Coal Operators Not Willing to Accept Wage Award.

Submit Reservations to President's Coal Commission.

MINERS ACCEPT REGARDLESS

Hearings on Pay Increases Are Started Today.

Decision on Mine Owners Questions Promised Soon.

Washington, Jan. 12.—Coal operators today submitted to President Wilson's coal commission a list of reservations which they asked be passed upon before they will agree to accept the commission's award.

Miners agreed to accept the commission's wage award without reservation.

The statements of both miners and operators were presented to the commission appointed to bring about settlement of the coal controversy after the inquiry opened. John Lewis, acting president of the United Mine Workers, spoke for the miners and Thomas Brewster for the operators.

Brewster in a long statement laid the reservations in the form of questions as to whether the award of the commission would have power to enforce the award; whether the commission had power to adjust wages

KANSAS FARMER

Has Gained Twenty Pounds by Taking Tanlac.

Is Free Now From Both Dyspepsia and Catarrh.

"Since Tanlac has overcome my troubles, I have gained twenty pounds in weight and am in better general health than for years," was the statement made a few days ago by H. W. Boring, a well-known farmer living at Overland Park, Kansas.

"During the two years I suffered I tried everything I knew of to get relief but nothing reached my case until I got hold of Tanlac," Mr. Boring continued. "I had a poor appetite and my digestion was so bad that I could hardly retain a thing I ate. I had pains across the small of my back so bad that at times I could not do my work and I never missed a day from work."

"The catarrh has left me and my head is perfectly clear. I am no longer nervous and every night I sleep sound. I have gained weight and I am feeling stronger than I have in years. I am always going to keep Tanlac in my house so it will be handy at all times."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 555 Kansas Ave. and 729 Kansas Ave.—Adv.

Don't complain about prices unless you are taking advantage of the lowest that are being offered in Topeka.
